

# MUSTAFA MANSUOR

Amman, Jordan | mustafastudies123@gmail.com | [triple20 \(Mustafa\) \(github.com\)](#)

---

A recent Information Technology graduate seeking to contribute to a dynamic organization. I am eager to expand my technical and professional skills through internships and collaborative projects, with a keen interest in programming, networking, and system management.

---

## SKILLS

- **Adaptability:** Quick to learn new tools and techniques, with a positive attitude towards challenges.
  - **Technical Proficiency:** Understanding of troubleshooting, software applications, and IT infrastructure.
  - **Communication:** Clear and effective verbal and written communication skills.
  - **Problem-Solving:** Analytical skills with attention to detail, capable of resolving issues efficiently.
  - **Web Application Development:** Experience with frontend and backend technologies.
  - **Mobile Application Development:** Skilled in developing cross-platform mobile applications.
  - **Project Management:** Hands-on experience in leading and managing IT projects.
- 

## EXPERIENCE

### MOBILE APPLICATION DEVELOPMENT (UNIVERSITY PROJECT)

April 2023 – January 2024

- **Description:** Developed a service ordering mobile and web application for Top Care company for cleaning services.
- The App facilitates seamless service modification, requests, and update.
- Integrated Firebase for real-time data updates and secure database management.
- **Technology Used:** Flutter for the frontend and backend development and firebase for the database.
- **Achievement:** Successfully streamlined the service ordering process across mobile and web platforms, enhancing overall efficiency. Ensure data accuracy and reliability in both mobile and web applications.

### OTHER PROJECTS

June 2024 – august

- **Weather Forecast Mobile Application. (Flutter)**
  - **Story Mobile Application. (Flutter):** A Mini-Story-based module that changes path according to the user selection.
  - **Portfolio web Application. (React, CSS, JavaScript).**
-

---
